Dear Mr. Goodin,

Thank you for your letter of April 20 and your telephone call. This is to confirm our arrangement for a briefing for 30-50 persons at our Headquarters Building at Langley on the outskirts of Washington, at 1000 hours on Friday, May 6.

As indicated in my phone conversation, we will need as soon as possible but no later than the morning of May 5, the names, with place and date of birth, of those attending. There should be no cameras or tape recorders.

It was nice talking with you.
